

PA ANNOUNCEMENT ON THE OPEN PROCEDURE

The current wording of the announcement is approved by the open procedure committee decision N 1, dated February 19, 2015 and is declared according to the Clause N 24 of the RA law "On procurements".

The code of the open procedure is SCWSMARA- OPAPW-1/1-P

The Client State committee of water system of Ministry of Agriculture RA, located in 13a Vardananc street, Yerevan, announces an open procedure.

The winner participant of the open procedure will be offered to sign a works execution contract for cleaning the collector-drainage networks and preparing the design-estimation documents for the current repairing works and for providing the expertise resolutions (hereinafter Contract) according to the defined order.

According to the Clause N 6 of the RA law «On procurements», the bids for the open procedure can be submitted by all entities, in spite of the fact of being of foreign physical entity, organization or a person having no citizenship.

The entities, who have been announced bankrupt by the court order, have overdue debts of tax and social payments of RA, the representative of the executive body of which has been convicted of economic activity or a crime acted against the public service during the preceding three years, with the exception for those cases, when the conviction has been cancelled or redeemed by law, which are included in the list of participants that have no right to participate in the procurement procedure.

The participant must have a correspondence of professional activities with the activities stated in the Contract, professional experience, technical equipments, financial resources, labor resources for the execution of the obligations stated in the Contract and required by the invitation.

The winner participant is defined from the list of participants being satisfactory assessed, with the principle of giving the preference to the participant, who has submitted the minimum price offer, who is signed a contract with.

The current procurement procedure shall be executed electronically, on www.armeps.am website. In order to take part in the procedure the Participant shall submit a bid via www.armeps.am website. The corresponding documents (information) approved by electronic signature or scanned from the original copy shall be enclosed to the bid.

The opening of bids will take place electronically on www.armeps.am website, at 11:00 Yerevan time on the 40th day counting from the date of publication of this announcement.

The objections regarding this procedure must be submitted to the Procurement Support Centre, 54/B Komitas Ave., Yerevan. The protest shall be executed according to the defined order of section 12 of part 1 of the invitation.

In order to assess the correspondence of the participants evaluation data with the conditions stated in the invitation procedure, the Participants should submit to the Client the documents set under this invitation.
