Technical drawing of a vertical steel structure, likely a chimney or tower, showing dimensions and components. The structure is composed of several sections and is supported by a base.

Dimensions:

- Top horizontal section: 40x3 (width), L 32x3 (length), L = 60 (total length).
- Upper vertical section: 60x40x4 (width), L = 1300 (length).
- Lower vertical section: 60x40x4 (width), L = 440 (length).
- Bottom vertical section: 60x40x4 (width), L = 1200 (length).
- Overall height: 1400 (from base to top of upper section) and 500 (from base to top of lower section).
- Base height: 1400 (from base to top of lower section).
