

This architectural floor plan shows a building with a total width of 30,000 units and a total depth of 28,000 units. The plan is divided into several rooms and corridors. The top section contains a large room (24,000 x 6,000) and a smaller room (6,000 x 6,000) with a staircase. The middle section features a large central room (24,000 x 24,000) with a staircase and a smaller room (6,000 x 6,000) with a staircase. The bottom section includes a large room (24,000 x 6,000) and a smaller room (6,000 x 6,000) with a staircase. The plan also shows various corridors, doorways, and furniture placement, including desks, chairs, and a sofa. Dimensions are provided for each room and corridor, and the overall dimensions are 30,000 by 28,000.
