

Technical drawing of a rectangular plot, oriented vertically. The overall dimensions are 24900 (width) and 25000 (height). The plot is divided into two main vertical sections by a central vertical line. The left section is further divided into three horizontal bands, and the right section is divided into two horizontal bands. Arrows indicate a flow or direction within these bands. Annotations in Armenian specify distances from the corners to the start of the horizontal bands: 12450 (top and bottom) and 12450 (left and right). A scale bar at the bottom indicates a distance of 150 units.

[illegible]
