

The drawing consists of two views of a mechanical component.

Perspective View (Top):

- A circular feature at the top is labeled "P" inside a circle.
- The main body is a long, narrow rectangular plate with a width of 120.
- A central vertical feature has a width of 80 and a height of 10.
- A diagonal feature extends from the center, with a width of 100 and a height of 120.
- Dimensions 6-200 and 6-110 are indicated along the diagonal feature.
- Small features are labeled 7, 10, and 3.

Cross-section 3-3 (Bottom):

- The cross-section shows a rectangular plate with a width of 220 and a height of 180.
- A central vertical feature has a width of 80 and a height of 140.
- Four small circular features are arranged in a 2x2 grid within the central feature.
- Dimensions 1, 14, and 1 are indicated along the top edge.
- A dimension of 8-1 is indicated along the bottom edge.
